

# A Thousand Words

I could say everything to you,  
and still tell nothing.

I could use all words I know,  
but it wouldn't help me much.

I say you are beautiful,  
but it's just not enough.

I could say anything to you,  
but never too much.

∴ You love me and I love you,  
it's easy to see.

You love me and I love you,  
we are meant to be. ∴

I could speak a thousand words  
and still be just me.

I could write it in your dreams,  
but nothing will tell me

if you even understand  
how much you mean to me.

If I ask you, I know that  
you would say it back:

∴ You love me and I love you,  
it's easy to see.

You love me and I love you,  
we are meant to be. ∴
